**Mount dimensions** - L 750 x W 770 x H 1260 mm  
**Warranty** - 5 year return to base warranty

A stylish, single column design with near silent telescopic movement (500mm of vertical travel) that includes integrated (and hidden) power distribution as standard.

The trolley is easily maneuvered and incredibly stable, allowing the screen resource to be quickly and safely shared.

Additional function and control is tailored to your needs through a range of accessories. Standard models have a maximum screen size of 130kg and 86".
