This Award Winning Slimline Multi-Position Mount is a light weight, durable with a large capacity, the maximum screen size is 130kg and 86".

Screen mounts should almost be invisible...they should feel like a natural part of the space. The design sits just 20mm proud of the wall. The integrated tilting brackets allow up to 7.5 degrees of tilt for the perfect viewing angle - the mounting holes are bolted to prevent screen tilt slippage over time.

Additional function is tailored to your needs through a range of accessories.
