Construction - high quality steel with a reliable electric motor.

Warranty - 1 year return to base warranty.

CELEBRATING
26 YEARS
1996-2022

The HI-LO® Screen Lift range takes touch screen versatility to the next level, offering unrivaled accessibility to screens of up to 130kg and 86" with 750mm of vertical travel.

Seamless integration - the mount sits incredibly close to the wall, off-set by just 40mm to allow for trunking and other features. Smart design, allows the legs of the mount to be extended to the floor, spreading the weight across the wall and floor, ideal for non loading-bearing walls. Additional function and control is tailored to your needs through a range of accessories.
